Topic 4: Check Price

This is the **Check Price** page.

- You can calculate and check the price first before creating an eAWB.
- This sign (*) is compulsory to be filled to ensure that the price is correct.
- For Parcel, we recommend to measure and insert the volumetric weight (LxWxH) to get an accurate price.
- The total price includes 6% SST.
- Click the **Calculate** button to start the calculation.
